PROFILE

Van Deventer-Maas Scholarship is a scholarship funded by private foundation that has a mission to support the education of young talented Indonesian students

The foundation was established in 1947, pursuant to the last provision and the "will" of Mrs. Elizabeth Maas, the widow of Mr. Coen Van Deventer

In 1979, Van Deventer-Maas Stichting (founded in 1917) merged with Tjandi Stichting (founded in 1913), thereby absorbing the Kartini Foundation, which had been founded in 1913

On September 12th, 2017, the representative office in Indonesia was formally established to be Yayasan Van Deventer-Maas Indonesia (YVDMI)

The couple, Coen Van Deventer and Elizabeth Maas, have decided to dedicate their whole wealth for the personal development of young Indonesians. One of the given supports is the scholarship for young talented Indonesian students, mostly for those came from underprivileged family
